

This Safe Use and Operation of Mobile Elevating Work Platform (MEWP) course is intended for new and experienced MEWP operators, wishing to gain experience or refresh/renew previous certification for operating an MEWP.

COURSE DURATION

Scissors and Boom half-day.

COURSE METHODOLOGY & ASSESSMENT

The course will be presented in a modular format, which includes problem-based learning and practical skills. Assessments of the learners are carried out through the tutor's observations of their engagement on the course and their participation in the practical skills sessions.

The maximum number of participants is 6.

CERTIFICATION

Upon successful completion of the course, participants will receive a Certificate of Attendance from EMS & Associates.

ENTRY CRITERIA

Participants must have a minimum of six months' practical experience under the supervision of a competent person.
